The personal data of applicants for and holders of securities may be used, held and/or stored (by whatever means) for the following purposes:

- disclosing identities of successful applicants by way of press announcement(s) or otherwise;
- disclosing relevant information to facilitate claims on entitlements; and
- any other incidental or associated purposes relating to the above and/or to enable the Company and/or the H Share Registrar to perform obligations to securities holders and/or any other purposes to which securities holders may from time to time agree.

3 **Transfer of personal data**

Personal data held by the Company and/or the H Share Registrar relating to a securities holder will be kept confidential but the Company and/or the H Share Registrar may, to the extent necessary for the purposes mentioned above, make such enquiries as it considers necessary in order to verify the accuracy of personal data and may transfer, disclose or grant access to such personal data and any information about the securities holder's holding of securities to the following parties (whether within or outside Hong Kong) for the purposes mentioned above:
